Rules Governing Reimbursement of Meeting Participants

Eligibility

Non-government participants who come from points more than 25 miles from the meeting site to attend on invitation by the seminar or meeting chairman are eligible for reimbursement.

Inter-City Transportation

Reimbursement will be made for the cost of inter-city transportation provided that such transportation cost shall not exceed the cost which would accrue if such travel were made by the most direct and expeditious air route at a rate less than first class. Subject to the foregoing limitation, the cost of travel by private automobile will be reimbursed at the rate of 12¢ per mile. All air travel the cost of which is to be reimbursed must be made on U.S. flag carriers. Exceptions to the use of less than first class transportation may be made when there is no less than first class transportation available, and the participant submits with his voucher for reimbursement a statement from the carrier to that effect.

Local Transportation

Reimbursement will be made for the cost of taxis and other local transportation between (1) office or home and airport or station, (2) point of arrival and place of lodging or meeting, and (3) place of lodging and place of meeting; in both directions.

Living Costs

Participants will be reimbursed for actual expenses, as *itemized* on the reimbursement voucher, up to \$30 per 24-hour day (pro-rated for periods less than 24 hours) for the duration of the meeting and necessary travel time. If hotel reservations are made for a participant at his request beyond the time necessary for attendance at a meeting; this does not imply authorization of expenses as reimbursable beyond the above-mentioned period, and theoretical travel times must be used in computing reimbursement eligibility. Persons requesting hotel reservations are responsible for any cost of guaranteeing these reservations whether or not the accommodations are used.

Submission of Voucher

Reimbursement vouchers should be submitted to SEADAG, The Asia Society, 112 East 64th Street, New York, New York 10021. Vouchers must be signed and accompanied by hotel and air travel receipts and other receipts which are customarily given for claimed expenses. The air ticket stub must be submitted even if the ticket was supplied by The Asia Society and no reimbursement for this expense is claimed.
